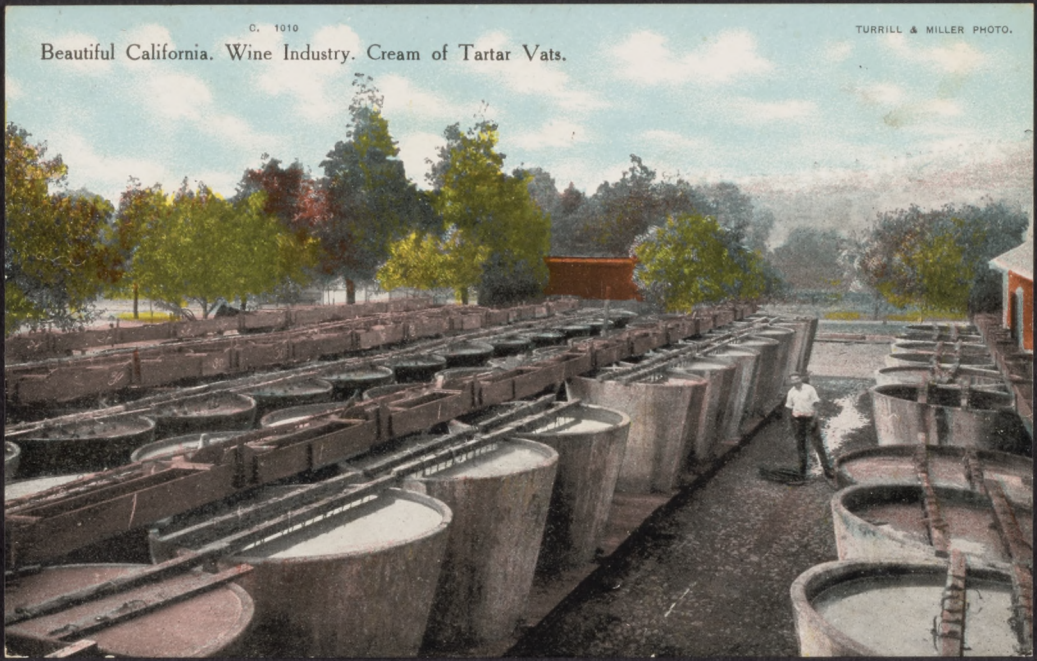
C. 1910

TURRILL & MILLER PHOTO.

Beautiful California. Wine Industry. Cream of Tartar Vats.



going along the st- you see a large building with earth quake curios in the window you will also see in the window a picture of an American woman and her Chinese Husband and written across the top of the picture come in and have a cup of tea in the ruins with Mr and Mrs Wong Lun Yee Clement a sister of Mrs Howard Gould they have a room build inside of the building to represent the earth quake ruins and they serve tea inside I have never had tea with them mostly tourists they catch I have seen this couple many times she is a woman between 40 and 50 years of age I would think and he about the same age
